

ANGELUS

2005 - « L'IMPÉTUEUX »

A unique year with an extremely high water deficit, but good temperatures for ripening. Grape quality was memorable, both in terms of being disease-free and their balance. What makes this vintage stand out is its harmonious balance of vigour and freshness, as well as its pure aromas.

Harvest: September 16th to October the 1st
Blend: 62 % Merlot et 38 % Cabernet Franc

Drink: 2030 - 2050
