

ANGELUS

1995 - « L'HARMONIE »

Thanks to good weather and controlled yields, the grapes were very ripe and contained great balance. The wines are full of color, almost opaque. The first aromatic impressions are reminiscent of candied prune, blackcurrant jelly, spice and cedar. The very large proportion of Cabernet Franc contributes menthol-flavoured tannins packed with freshness, elegance and complexity. The wines are silky and fill the mouth. The finish is beautifully balanced, creamy and lasts for minutes, a sign that this vintage will be very long-keeping.

Harvest: September 15th to 27th
